Dear Towerpoint Wealth,

On behalf of the Wellness Within staff, volunteers and board of directors we sincerely thank you for your support of the 2018 Wellness Within Gala. The night was a huge success and we raised a little over \$110,000, which we could not have done without your support! Thank you for contributing \$1,000.00 as a silver sponsor. This money will go directly to providing support services to families and individuals dealing with the stress and trauma of cancer.

Your name and/or logo was included on our event website, in our event program, and in all pre- and post-event marketing materials. We hope this helps those in our community to recognize your company, and know you to be a charitable organization! We'd love to have your support and participation again for next year's event. If you are interested in the opportunity, please email Jan Whitney at [jwhitney@wellnesswithin.org](mailto:jwhitney@wellnesswithin.org) so we can save you a spot.

Partnerships with the community and local businesses remain essential to the success of our organization. Thank you for investing in our mission and ensuring that those facing cancer have the opportunity to experience an enhanced quality of life. We so appreciate you!

With Gratitude,

The Wellness Within Team
