Dear Friends,

Thank you for your online contribution of \$102.00 on May 2, 2019 to Shriners Hospitals for Children® for the benefit of our system of North American hospitals. For nearly a century, compassionate individuals like you have made our work possible – returning generations of children to their homes with newfound strength and confidence.

Here in our Northern California hospital, charitable contributions make an immediate and long-lasting impact on the lives of children we treat for acute burns, scars from any cause, spinal cord injuries, chest wall anomalies, bladder and bowel disorders, and a wide range of complex orthopaedic conditions.

There are no barriers to care at Shriners Hospitals for Children. All children, 18 years or younger, who require our specialty pediatric healthcare services are admitted for treatment, regardless of the family's ability to pay. Every day, we are making an indescribable difference in the lives of countless children and families – thanks to generous men and women, like you.

Thank you for your support and kindness to our hospital.

Sincerely,

Alan Anderson
Director of Development
