

We build strength, stability,  
self-reliance and shelter.

Dear Towerpoint Wealth, LLC,

Thank you for your generous donation of \$2,500.00 on 3/22/2022 as a sponsorship for Rock the Block Oak Park 2022.

This month we officially broke ground and started infrastructure on our Cornerstone Development – a first of its kind collaborative project with Habitat for Humanity and Mutual Housing California. When complete, the all-electric and EV ready community will provide affordable housing to over 400 low-income individuals through 18 Habitat homeownership opportunities and 108 Mutual Housing multi-family rental units. It will be our largest Habitat project so far in our 36-year history.

As shovels hit the ground and the tractors started moving to begin the infrastructure, I found myself reminded of our age-old saying, “it takes a community to build a community” and how grateful we are for your support that is helping us, quite literally, break new ground for working families in need of stable shelter in our region.

Next month we will be opening up the application period for families to apply to build and purchase a Habitat home on the Cornerstone Development. With continued skyrocketing rents and home prices, opportunities like Cornerstone will be life-changing for the families selected. This year, as we look to build more, do more, and make a greater impact – we remain forever thankful to you, our incredible supporters, who help make it possible.

Together, we build.

In gratitude,

Leah Miller  
President and CEO, Habitat for Humanity of Greater Sacramento

*We can't wait  
to have you join  
us for Rock the  
Block!*

**NO GOODS OR SERVICES WERE RECEIVED IN RETURN FOR THIS GIFT**

*P.S. Looking to get a head start on your spring cleaning? Rather than dumping your stuff, consider the Habitat ReStore! Learn more at [HabitatGreaterSac.org/SacReStore](http://HabitatGreaterSac.org/SacReStore)*
